WELCOME TO OUR PRACTICE

We are a Specialist Practice dedicated to providing orthodontic treatment for children and adults.

Orthodontics is a speciality of dentistry concerned with the diagnosis, prevention and treatment of irregularities of the teeth and jaws.

Orthodontic treatment is undertaken with custom made appliances (braces), which are designed and prescribed according to the problem being treated.

Your family dentist will generally advise you when your child needs to see an orthodontist. However, as a general rule, an initial consultation at the age of 8-10 years is recommended if an orthodontic problem is detected.

While it is common during childhood and adolescence, orthodontic treatment can also be successfully undertaken in adulthood. With the availability of clear braces, an increasing number of adults are seeking treatment and enjoying the benefits of a confident smile.

During orthodontic treatment it is essential to continue routine dental checkups with your family dentist.

CARE AT THE PRACTICE

We provide orthodontic care under the NHS for patients under the age of 18 years. Adult patients are only accepted independent of the NHS.

FACILITIES

The practice offers modern facilities in a friendly environment. The ground floor surgeries, reception area and toilet are accessible to wheelchair.

EMERGENCY CARE

Whenever possible, please contact us about emergencies during normal surgery hours. If you need to be seen the same day, please get in touch as early in the day as possible.

In case of an emergency after 5.00pm weekdays or during weekends/bank holidays please phone 0208 803 0388 and a recorded message will give details of the on-call service.

MISSED APPOINTMENTS

If you are not able to keep your appointment please give us at least 24 hours notice. If less than 24 hours notice is given or an appointment is not kept a charge may be made.

HOW TO FIND US?

We are conveniently located at the corner of Harington Terrace and The Fairway. Harington Terrace is a slip road off the north bound section of the Great Cambridge Road (A10) very near the roundabout with the North Circular Road (A406). The entrance to Harington Terrace from the Great Cambridge Road is via Parkside Terrace, which is the first turning on the left after Hedge Lane. The practice can also be approached via The Fairway.

There is usually parking available on Harington Terrace or The Fairway. Alternatively you may park on Westerham Avenue and use the pedestrian subway to walk across to Harington Terrace.

Bus Stops serving bus routes 217 and 231 are located only a few yards from the practice.
